

Due to the mandates of Governor Sisolak the following applies:

STATEWIDE PAUSE

Effective Tuesday, November 24

- Under the new measures, restaurants, bars, gaming operations, **gyms, fitness facilities**, and other businesses and activities will be limited to 25 percent of applicable fire code capacity, down from 50 percent.
- Additionally, public gatherings will be limited to no more than 50 people or 25 percent capacity. **No large events will be approved during this time frame.**
- Private gatherings will be limited to no more than 10 people from no more than two separate households.
- Under the new restrictions, Nevadans **MUST WEAR FACE COVERINGS AT ALL TIMES**, whether **indoors or outdoors**, when around individuals, from outside their households.
- The new measures take effect on **Tuesday, November 24th**, and will last for the **next three weeks**. During this time frame, the Governor will continue to meet with advisors to evaluate the situation and look for signs for concerns or improvement.
